RESEARCH EXPERIENCE

University of Chicago, July 2017 - Present
Energy Policy Institute at the University of Chicago
Pre-Doctoral Fellow, Chicago, IL

- Full-time research assistant for Professor **Koichiro Ito** (ito@uchicago.edu) for 2.5 years
- Comprehensive data work (data collection, management, and estimation) for various projects using Stata, R, Matlab, Python, ArcGIS, and Git

Texas A&M Department of Economics May 2016 - December 2017
Research Assistant, College Station, TX

- Data work (cleaning, estimation, compiling results) for Professors **Jonathan Meer** (jmeer@tamu.edu), **Lisa Kahn** (lisa.kahn@rochester.edu), and **Jeffrey Clemens** (jeffclemens@ucsd.edu)

Economic Research Laboratory November 2014 - May 2017
Research Assistant, College Station, TX

- Interpreted data and monitored experiments that investigate human economic behavior for Professor **Catherine Eckel** (ceckel@tamu.edu)

Council of Economic Advisers January 2016 - May 2016
Intern, Washington, D.C.

- Constructed models and analyzed data to understand the discrepancies of expected and actual inflation

Economics Undergraduate Research Program May 2015 - May 2016
Researcher, College Station, TX

- Designed and ran an experiment on the effect of mandated volunteering on intrinsic motivation

EDUCATION

University of Chicago
Graduate Student at Large
Overall GPA: 4.00/4.00

Texas A&M University
B.S. in Economics, B.S. in Applied Mathematics, May 2017
Mathematics Honors, University Honors
Overall GPA: 3.98/4.00

TECHNICAL STRENGTHS

Stata (advanced), R (advanced), Python (advanced), Matlab (advanced), Git (advanced), Unix (intermediate), HTML (intermediate), ArcGIS (basic), CSS (basic), JavaScript (basic)

HONORS

Best Economic Thesis, Undergraduate Research Scholar, Bugai Endowed Scholar, EUROP Scholar, Jacqueline M. Browning Scholar, Pi Mu Epsilon, Phi Kappa Phi
